

# All I Ever Asked

sombr

Somewhere beneath the surface  
I wanna find  
If you're the problem or the purpose  
'Cause it's borderline  
Never know if you're sorry  
For what you said  
For all I know, you adore me  
But keep it all inside your head

Just a little more time  
Was it really that hard to do?  
It was all I ever asked of you  
It was all I ever asked of you  
Nothing compares  
To the trouble that I've been through  
It was all I ever asked of you  
It was all I ever asked of you

You gave up on me too easily  
I'd always try to make it right  
Even though you never wanted apologies  
You think I'm a liar  
Never know if I'm sorry  
For what I said  
I hope you know I adored you  
So many words are left unsaid

Just a little more time  
Was it really that hard to do?  
It was all I ever asked of you  
It was all I ever asked of you  
Nothing compares  
To the trouble that I've been through  
It was all I ever asked of you  
It was all I ever asked of you

(All I ever asked of you  
All I ever asked of you)

Just a little more time  
Was it really that hard to do?  
It was all I ever asked of you  
It was all I ever asked of you  
Nothing compares  
To the trouble that I've been through  
It was all I ever asked of you  
It was all I ever asked of you  
Just a little more time  
Was it really that hard to do?  
It was all I ever asked of you  
It was all I ever asked of you
