don't let me down

sombr

I always seem to know
What to say when you're not around to hear it
Oh, can you hear me?
The more I give, the more it hurts
I wish I was what I wasn't worth to you
Am I worth it to you?

So, don't let me down
'Cause I can't fall for you again
I won't hit the ground
No, I won't fall for you again
And I won't let you down

And I would burn in hell
If it meant that our fire never went out like it did
Oh, it did
And I would kill myself
If you told me it would be okay, I wouldn't hesitate
Ooh, wouldn't hesitate

So, don't let me down
'Cause I can't fall for you again
I won't hit the ground
No, I won't fall for you again

If we never met, I'd be the kid who hasn't found himself yet
Go to college and date a girl who doesn't know how to dress
Start a family with a wife and kids, oh, God, I hate that shit
If we never met, if we never met, if we— (If we, if we, if we)

Don't let me down
'Cause I can't fall for you again
I won't hit the ground, I won't hit the ground
So, don't let me down
And I won't let you down (Oh-ooh, oh-ooh)
