

fine

sombr

You should know
How little you mean to me, to me
And you don't understand
The kind of guy you think I am, I am

I'm fine
'Cause you're not mine
I'm fine
'Cause you're not mine

Now you're just
Another sad memory
And you don't understand
The kind of guy you think I am, I am

I'm fine
'Cause you're not mine
I'm fine
'Cause you're not mine
