

# Drunk Girl

Something Corporate

I kissed a drunk girl  
I kissed a drunk girl, yes I did  
Kissed a drunk girl on the lips  
I let my guard down  
how could I have been so dumb  
Her eyes were open  
I know I am not the one  
I know I am not the one  
I know I am not the one

I kissed a drunk girl  
Why do I do these things I do to myself  
I kissed a drunk girl  
I'm sure I could've been anybody else

I went to her house  
and everybody there was gone  
her little cousin just passed out on the lawn  
We walked to my car  
She mouthed "Is everything ok?"  
We leaned in slowly  
So now I can say

I kissed a drunk girl  
Why do I do these things I do to myself  
I kissed a drunk girl  
I'm sure I could've been anybody else  
anybody else

I pulled away  
cuz you see I didn't think it would be  
right I said let's save this  
for some other night  
She said "No, no, no I know  
That everything is gonna be just fine"  
How could I do this when I want her to be all mine.

I kissed a drunk girl  
Why do I do these things I do to myself  
I kissed a drunk girl  
I'm sure I could've been anybody else  
anybody else

I know you don't care about me  
I'm sure when all is said and done  
and I go home feeling lonely  
You will have had your fun  
do you even remember?

I kissed a drunk girl  
Why do I do these things I do to myself  
I kissed a drunk girl  
and now I'm sure  
and now I'm sure  
I could've been anybody else  
anybody else  
anybody else

I could have been  
anybody else
