

Just Like A Woman

Something Corporate

Nobody feels any pain
Tonight as I stand inside the rain
Everybody knows;
Baby's got new clothes
But lately I see her ribbons and her bows
Have fallen from her curls

She takes just like a woman, yes, she does
She makes love just like a woman, yes, she does
And she aches just like a woman
But she breaks just like a little girl

Queen mary, she's my friend
Yes, I believe I will see her again
But everybody guess
That baby can't be blessed
Till she finally sees that she's like all the rest
With her fog, her amphetamine and her pearls

She takes just like a woman, yes, she does
She makes love just like a woman, yes, she does
And she aches just like a woman
But she breaks just like a little girl

It was raining from the first
I was dying there of thirst
So I came in here
So I came in here
And your long-time curse hurts
But what's worse
Is this pain in here
I can't stay in here
Ain't it clear that?
I just don't fit
Yes, I believe it's time for us to quit
And when we meet again
Introduced as friends
Please don't let on that you knew me when
I was hungry and it was your world

Ah, you fake just like a woman, yes, you do
You make love just like a woman, yes, you do
Then you ache just like a woman
But you break just like a little girl
