

Harpoon

Something for Kate

This could take some explaining but I'm sure you will agree
There is no use pretending that there's hope for you and me
And I love her but do you think she can see
When I tell her it's the end for you and me
It was over ever since you went and shot me
Like a harpoon
Like a harpoon
Like a harpoon in my heart
Like a harpoon
Like a harpoon in my heart
I can handle the fighting it's affection I can't stand
And I don't mind us talking just don't try to hold my hand
And I love her but do you think she can see
When I tell her it's the end for you and me
It was over ever since you went and shot me
Like a harpoon
Like a harpoon
Like a harpoon in my heart
Like a harpoon
Like a harpoon in my heart
When you left, I didn't want you back
Now your gone, so won't you
Go right back (7x)
Why does it hurt?
Simple matters don't seem worth
We are the same, it's not happening again
And I love her but do you think she can see
When I tell her it's the end for you and me
It was over ever since you went and shot me
Like a harpoon
Like a harpoon
Like a harpoon in my heart
Like a harpoon
Like a harpoon in my heart
Like a harpoon
Like a harpoon
Like a harpoon in my heart
