Supercomputer

Something for Kate

[Intro]
Na na na na
Na na na na na
Na na na na
Na na na na na

[Verse 1]
You're out there
Your reflections just
Bounce off every window in the city
I wonder if you
Ever wonder about
Maybe i should just get over it

No you're not the
Not the frontier
But I sure got lost trying to find you

[Chorus 1]
I know you keep everything in a room
Behind a bookcase
On a supercomputer
And I know when you dream
You're at your parents house and
You can't get out of the car
Na na na na
Na na na na na
Na na na na
Na na na na na

[Verse 2]
You were blinded
I was tall, drunk and handsome but
Least that's how I remember it
And you said loneliness is just a party in your head

That no-one else is invited to

I swear you can dance alone to
The hidden songs you sing
They absolutely nothing like
Nothing like this

[Chorus 2]
I know you keep everything in a room
Behind a bookcase
On a supercomputer
And I know when you dream
You're in your blue bedroom and
You can't get out of the car

Can't get out of the car
(Na na na na
Na na na na na
Na na na na
Na na na na na)
Can't get out of the car

(Na na na na
Na na na na na
Na na na na
Na na na na na)
Na na na na na na na
Na na na na na na na
[Outro]
I know you keep everything in a room
Behind a bookcase
On a supercomputer
