

3005 (Rendition)

SoMo

No matter what you say or what you do
When I'm alone, I'd rather be with you
Fuck these other people, I'll be right by your side
Till 3005, alright
Alright...

Hold up wait a minute all good just a week ago
Saw a little trouble, aw damn I don't even smoke that much
Aw hell what I need it for I'm high on your love, no drug you are my sinner
for
Hold up, wait up for that call that I'm feenin' for
Slow up, looking for the law when I'm leaving your casa
you are so raw that I'm leaning towards lotsa rehabilitation but I need it m
ore

No matter what you say or what you do
When I'm alone, I'd rather be with you
Fuck these other people, I'll be right by your side
Till 3005, alright
No matter what you say or what you do
When I'm alone, I'd rather be with you
Fuck these other people, I'll be right by your side
Till 3005, alright
Alright...

I used to care what people thought
Why would I care for
Man nobody out here's got it figured out
So therefore, I've lost all hope of a happy ending
Depending on whether or not it's worth it
So insecure, no one's perfect
We spend it, with no shame
We blow that, like Coltrane
We in here, like Rogain
Or leave it, like Cobain
And when I'm long gone, my whole crew sing a swan song
Cause we all just ticking time bombs, got a Tahoe like a soccer mom
And no matter where all of my friends go
(Meredith, fam, and my team though[?])
All of them people my kinfolk
At least I think so

But I can't tell
Cause when them checks clear
It's kinda sad, but I'm laughing whatever happens
Assassins stabbed in the back of my cabin
Jack and Jill yapping
I'm glad that it happened, I mean it
Between us, think there's something special
And if I lose my mental, just hold my hand
Even if you don't understand, hold up

No matter what you say or what you do
When I'm alone, I'd rather be with you
Fuck these other people, I'll be right by your side
Till 3005, alright
No matter what you say or what you do

When I'm alone, I'd rather be with you
Fuck these other people, I'll be right by your side
Till 3005, alright
Alright...
