

## Best Mistake

SoMo

How soon do we forget how we felt?  
Dealing with emotions that never left  
Playing with the hand that we were dealt in this game...

Maybe I'm the sinner, and you're the saint  
Gotta stop pretending what we ain't  
Why we pointing fingers, anyway?  
When we're the same

Break up  
Make up  
Total waste of time  
Can we please make up our minds  
And stop acting like we're blind?

'Cause if the water dries up and the moon stops shining  
Stars fall, and the world goes blind, girl  
You know, I'll be savin' my love for you, for you

'Cause you're the best mistake I've ever made  
But we hold on, hold on  
There's no pot of gold in the rainbows we chase  
But we hold on, hold on

I guess time's wasting, tick tocking, lip locking  
I'm pocking these moments you watching your options  
No talking your temperatures dropping  
I'm scared there's no stopping those scars you just built on your heart  
And I know I fucked up a million times in the past  
You know its hard for me and I'm just laying in the grass  
The grass is green on both sides  
Just give me that need and I won't travel  
I'm staring at a dream and dream that most of it will go down flow  
I don't need that though I want you and nothing more  
You're the best mistake I've ever made and I'm singing out to you  
So take my hand and run away with me  
You're the only thing I'll ever need  
I'll ever need  
Oh Ooh Woah Ooh Woah Oh Woah [x2]

Break up  
Make up  
Total waste of time  
Can we please make up our minds  
And stop acting like we're blind?

'Cause if the water dries up and the moon stops shining  
Stars fall, and the world goes blind, girl  
You know, I'll be savin' my love for you
