

Enough

SoMo

You're magic in the morning,
I see you in the sunrise,
I see you as the sunlight,
When your makeup and your hair is down
Come alive when you love me
Come alive when you touch me
But this ain't no sexual song ain't no rub around
I've been out in public,
I just wanna celebration,
I'm trynna get on that bubbly,
Give me some more motivation,
I like libations,
I like vibrations,
Yeah we should mix it all up call it vacation,
Eat, pray, love, stay
Bed, rest, love less
I, was, made, for ya
Praise, adore ya
Ya water, that water I praise ya, I praise ya
I loved ya, I saved ya,
I saved ya,
I trusted in your lovin',
You're always above it,
I hold you, I hold you,
You're love, you're love, you're love, you're love, you're love
, you're love is enough,
You're love, you're love, you're love, you're love is enough...
