

Fire

SoMo

Fire, fire, fire, fire, fire, fire, fire, fire
Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya
She got that fire, fire, fire, fire, fire, fire, fire, fire
Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya

She's the definition of a deadly superstition
She ain't got no opposition, little devil on a mission, eh
She's burning up [x4]

If you got an issue, go ahead, take a seat
Misses independent baby girl don't miss a beat
Inferno on the dance floor, I'm shaking underneath
F-I-R-E to the core but the girl is so sweet
She's so sweet, sweet, sweet [x2]
She's so sweet, so sweet

She got that fire, fire, fire, fire, fire, fire, fire, fire
Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya
She got that fire, fire, fire, fire, fire, fire, fire, fire
Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya

She's the definition of a deadly superstition
She ain't got no opposition, little devil on a mission, eh
She's burning up [x4]

I think I've got an issue, I'm feeling that heat
T-t-tall hotty totty, yes she's working those feet
Inferno on the dance floor, I'm shaking underneath
F-I-R-E to the core but the girl is so sweet
She's so sweet, sweet, sweet [x2]
She's so sweet, so sweet

She got that fire, fire, fire, fire, fire, fire, fire, fire
Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya
She got that fire, fire, fire, fire, fire, fire, fire, fire
Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya

Look at how she switch and make you lose your inhibition
Paying more than your attention, little devil on a mission, eh
She's burning up [x8]

I don't care about anything but you, you, you, you, you, you [x
