

How?

SoMo

How do I say it
Now that I know
How do I say it
Before you go
That I still love you
Oh how I love you

My heart is racin'
Now that I know
How do I it say it
Before you go
That I still love you
Oh how I love you
How do I?
How do I?
How do I?
How do I?

How do I miss you?
How do I stay?
Hidin' these voices inside my brain
How do I go there?
How do I breath?
I didn't give you everything you need?
How did I miss it?
How did I fold?
How did I waste somethin'
When there's no goin' back for more?
There's no goin' back before...

How do I say it
Now that I know
How do I say it
Before you go
That I still love you
Oh how I love you

My heart is cavin'
Now that I know
How do I say it
Before you go
That I still love you
Oh how I love you
How do I?
How do I?
How do I?
How do I?

(I still love you)

When the voices inside of my head
They keep on screamin' that I just need to let it out
(I still love you)
All these voices inside of my head
I mean to say somethin' but I can't seem get it out
(I still love you)
These choices keep leading me on

I keep thinkin' that they're wrong
So I shut em out
(I still love you)
But the voices of ghosts in this house sing out loud
I think I'll join em now

How do I say it
Now that I know
How do I say it B
Efore you go
That I still love you
(I still love you)
Oh how I love you

My heart is breakin'
Now that I know
How do I it say it
Before you go
That I still love you
(I still love you)
I still love
I still love you
(I still love you)
I still love
I still love you
(I still love you)
I still love
I still love you
