

# Mi Amor

SoMo

I met a lil Latina  
Her name was Katarina  
She had a good demeanor  
And I just wanna let her know

Started movin' front to back left  
Now we're runnin' out the door  
Somethin' how your talkin'  
Makin' me feel raunchy  
Have you ever played a role

You know I don't speak Spanish  
But I got manners  
And my Mama raised me well  
I can take you back and teach  
You some things in my little hotel

Come back to my cabana  
Say you want the hammer  
What we waitin' for  
Tryin' to act like you don't  
You grabbin' on to me  
Tryin' to rip off my clothes  
Now we're dancin' all alone

Mi Amor, Mi Amor  
Never been here before  
Think there's somethin' bout you  
Somethin' that I adore  
Mi Amor, Mi Amor  
Never been here before  
Think there's somethin' bout you  
Keepin' me wantin' more

Drinkin' on tequila  
Baby hot as fever  
Cool down with a heat up  
And I just wanna let her know

Started movin' front to back left  
Now we're runnin' out the door  
Somethin' how your talkin'  
Makin' me feel raunchy  
Have you ever played a role

You know I don't speak Spanish  
But I got manners  
And my Mama raised me well  
I can take you back and teach  
You some things in my little hotel

Come back to my cabana  
Say you want the hammer  
What we waitin' for  
Tryin' to act like you don't  
You grabbin' on to me  
Tryin' to rip off my clothes

Now we're dancin' all alone

Mi Amor, Mi Amor  
Never been here before  
Think there's somethin' bout you  
Somethin' that I adore  
Mi Amor, Mi Amor  
Never been here before  
Think there's somethin' bout you  
Keepin' me wantin' more

We're gonna sweat tonight  
Bodies outta control  
Lisin' it to the music  
Movin' into the mode  
Love the way you pursue  
The mind, body, and soul  
Confession time  
There's somethin' you need to know

Got a big surprise  
Are you gonna let it grow  
I don't wanna assume  
You say when and we'll go  
You're such a blessin'  
You're somethin' more  
Yeah, you're my love for sure

Mi Amor, Mi Amor  
Never been here before  
Think there's somethin' bout you  
Somethin' that I adore  
Mi Amor, Mi Amor  
Never been here before  
Think there's somethin' bout you  
Keepin' me wantin' more
