

Real One

SoMo

Mm whoa whoa ooo ooo whoa
Mmm mm mm mmm

Turn the lights low
Turn em really low
But I still wanna see ya
Do you feel what I mean love?
Wanna see those toes curl
Wanna feel your body on top of mine
Til the sun rise
Until the sun rise

Freak that body body
Pop that body for a real one
C'mon baby put ya fire on me
Pop that
Pop that
Pop that body for a real one
C'mon baby put ya fire on me
Pop that body for a real one
Pop that body tryin' to see what you mean
Pop that body for a real one
Oh whoa

Call you my wifey
I got you for life see
Leave?
I would rather die please
(Please)
Baby you're the one I prayed for
(For-for-for)
If you love me girl just say so
(So-so-so)
You got my back in any trial?
Would you run with me for many miles?
I'm trying to heal you tonight
My light
My light

Freak that body body
Pop that body for a real one
C'mon baby put ya fire on me
(Ohh)
Pop that
Pop that
Pop that body for a real one
(Real one)
C'mon baby put ya fire on me
(Oh whoa)
Pop that body for a real one
(Real one)
Pop that body tryin' to see what you mean
(Yeah)
Pop that body for a real one
(Oh)
C'mon baby put ya fire on me

(Yeah)

Freak that body body
Pop that body for a real one
C'mon baby put ya fire on me
Pop that
Pop that body for a real one
C'mon baby put ya fire on me
Pop that body for a real one
Pop that body tryin' to see what you mean
Pop that body for a real one
C'mon baby put ya fire on me
