

Red Wine

SoMo

Oh whoa

Mmm mm

Sippin' on this red wine
I think that its time
I think that you're mine tonight
And baby if we
Go slow
We can make a note
Write it down and then float out to sea
Then you'll see that I wanna be
Everything that you need
Everything that you see
In those beautiful eyes
And I know
That I'll be
Everything that you breathe
That you breathe
That you breathe
Oh I

Oh I-I-I-I-I
Sippin' on it
Sippin' on it
I-I
Sippin' on it
Sippin' on it
I-I
Sip-Sippin' on it
Sippin' on it

Oh I-I-I-I-I
Sippin' on it
Sippin' on it
I-I
Sippin' on it
Sippin' on it
I-I
Sip-Sippin' on it
Sippin' on it

I'm sippin' on that red wine
I'm sippin' on that red wine
Mmm mm

Sit here visualizing me on top of you (Oh)
Vida loca I've been dreaming of it so (So)
Señorita let the spirit of it float (Float)
Same fire when you come round the way (Oh)
Won't tire when you go navigate (Oh)
Hold tight

Your way
Oh oh whoa

Oh I-I-I-I-I
Sippin' on it
Sippin' on it
