

Satellites

SoMo

Don't bother me
Don't
Don't bother me

If you can't see my shine don't bother me
If you can't see my shine don't bother me
Ooo whoa
If you can't see my shine don't bother me
If I ain't on your mind I'm flyin' free
Ooo whoa

Kiss and tell
You know me well
Satellites
Go round and round and round
Kiss and tell
You know me well
Satellites
Go round and round they go

If you can't see my shine don't bother me
If you can't see my shine don't bother me
Ooo whoa
If you can't see my shine don't bother me
If I ain't on your mind I'm flyin' free
Ooo whoa

Kiss and tell
You know me well
Satellites
Go round and round and round
Kiss and tell
You know me well
Satellites
Go round and round they go

Burned the light out
Light that (Light that)
Like that (Like that)
Say you wanna know
What it's like to (What it's like to)
Fly fast (Fly fast)
Like that (Like that)
Just spread your wings and move

If you can't see my shine don't bother me
If you can't see my shine don't bother me
Ooo whoa
If you can't see my shine don't bother me
If I ain't on your mind I'm flyin' free
Ooo whoa

Satellite transmission
Don't close your eyes
You'll miss em
Who am I to care?
If you don't wanna listen

Still the rain gon' fall
And the sky gon' glisten
If you ain't on my side
I'll fly a solo mission

If you can't see my shine don't bother me
If you can't see my shine don't bother me
Ooo whoa
If you can't see my shine don't bother me
If I ain't on your mind I'm flyin' free
Ooo whoa

Kiss and tell
You know me well
Satellites
Go round and round and round
Kiss and tell
You know me well
Satellites
Go round and round they go

If you can't see my shine don't bother me
If you can't see my shine don't bother me
Ooo whoa
If you can't see my shine don't bother me
If I ain't on your mind I'm flyin' free
Ooo whoa

Ooo whoa

Ooo whoa

If I ain't on your mind I'm flyin' free
