

# Shaken

SoMo

Mmm mm whoa whoa whoa  
Oh yeah  
Mmm mm  
Mmm mm

Shaken  
I was down on my luck  
I was shakin'  
Tankin'  
Taken granted my love  
I was tankin' (Mmm)  
Shaken  
I was down on my luck  
I was shakin'  
Tankin'  
Taken granted my love  
I was tankin'  
Mmm

I thought I lost all of them demons a long time ago  
Started seein' things  
Deep inside my soul  
I can see em grabbin' hold  
I need your hand in mine  
Lead me to your love  
Each and every single night

I believe that angels answer when you ask em things  
What's this vision for  
Oh or you to blind to see  
I believe the demons run  
When your hands in mine  
Lead me to your love  
Each and every single time

Shaken  
I was down on my luck  
I was shakin'  
Tankin'  
Taken granted my love  
I was tankin' (Mmm)  
Shaken  
I was down on my luck  
I was shakin'  
Tankin'  
Taken granted my love  
I was tankin'  
Mmm

I remember wishin'  
Wishin' you would see my side  
I remember guessin'  
Messin' up the things that I  
Broke and left forgotten  
Hopin' that you might see why  
I try  
So

Shaken  
(Oh whoa)  
I was down on my luck  
(Oh whoa)  
I was shakin'  
(Oh whoa yeah)  
Tankin'  
Taken granted my love  
(I was)  
I was tankin' (Mmm)  
(Shaken)  
Shaken  
I was down on my luck  
I was shakin'  
(I was down on my knees)  
(I was drownin' in mud)  
Tankin'  
(I was hoping' and prayin')  
(Takin' granted my love)  
Taken granted my love  
(I was)  
(Prayin' I was enough)  
I was tankin'  
Mmm  
  
(Prayin' I was enough)
