

# Slow Motion

SoMo

Ooo whoa yeah

Drop it slow  
Certified found your callin'  
In the middle of this floor you got me fallin' hard  
Intimate  
I feel ya heart it's  
It's beatin' harder  
Harder  
You got me started  
Take it slow  
Bend it over  
Keep it classic  
Girl the way you move those hips  
And pout those lips  
I'm feeling magic  
The way you work those hips  
I need you nightly  
Come on baby hold me tightly  
But make sure when you ride

Slow motion  
Put your hand all on my hip  
When I dip you dip we dip  
When I dip you dip we dip  
Slow motion  
My-my hands all on you right  
Put your hands all on me baby  
Put your hands on me tonight

Slow motion  
Put your hand all on my hip  
When I dip you dip we dip  
When I dip you dip we dip  
Slow motion  
My-my hands all on you right  
Put your hands all on me baby  
Put your hands on me tonight

Come tour me  
I'm tryin' take you high  
Come rain on my parade  
I'm tryin' to make it cry  
Yeah my goal  
Tonight  
I'll show you what's inside  
Oh baby push it slower when you  
Ride  
Ride  
Ride  
In

Slow motion  
Put your hand all on my hip  
When I dip you dip we dip  
When I dip you dip we dip
