

# Small Town

SoMo

Mmm mm  
Oh whoa oh  
Yeah yeah

I'm from a small town  
Where the lights are bright on Friday night  
Slow down  
Goin' 99 in a 45  
Sore now  
With a broken heart goin' round and round  
Ya home now  
Your light goin' out

In your dreams  
Do ya see me  
In your dreams  
Do ya see me

Mmm mm  
Oh whoa oh  
Yeah yeah

In your dreams

In the darkness of night  
In the hardest of light  
Do you see that I try

Do ya see me

When the sun hits the sand  
And you needed a man  
Do you see that I am

In your dreams

In the darkness of night  
In the hardest of light  
Do you see that I try

Do ya see me

When the sun hits the sand  
And you needed a man  
Do you see that I can

Ohh whoa  
Ohh  
Mmm whoa  
Yeah yeah
