

# Talking Body

SoMo

[Verse 1]

Bed, Stay in bed  
The feeling of your skin locked in my head  
Smoke, smoke me broke  
I don't care, I'm down for what you want

[Chorus]

Day drunk into the night  
Wanna keep you here, cause you dry my tears. ooh  
Summer lovin' and fights. How it is for us  
And it's all because  
Now if we're talking body  
You got a perfect one so put it on me  
Swear it won't take you long  
If you love me right, we fuck for life  
On and on and on  
Now if we're talking body  
You got a perfect one so put it on me  
Swear it won't take you long  
If you love me right, we fuck for life  
On and on and on

[Verse 2]

Love, give me love  
Anything you want I'll give it up  
Lips, lips I kiss  
Bite me while I taste your fingertips

[Chorus]

Day drunk into the night  
Wanna keep you here, cause you dry my tears. ooh  
Summer lovin' and fights. How it is for us  
And it's all because  
Now if we're talking body  
You got a perfect one so put it on me  
Swear it won't take you long  
If you love me right, we fuck for life  
On and on and on  
Now if we're talking body  
You got a perfect one so put it on me  
Swear it won't take you long  
If you love me right, we fuck for life  
On and on and on

[Verse 3]
