

# Low Down Dirty Dog Blues

Son House

What that Chickasaw has done, done for me  
I'm might tell everybody  
What that Chickasaw has done, done for me  
She done stole my man away  
And blow that doggone smoke on me  
She's a low down dirty dog  
I ain't no woman, like to ride that Chickasaw  
Ain't no woman, like to ride that Chickasaw  
Because everywhere she stop  
She's stealing some woman good man off  
She's a low down dirty dog

I told the depot agent this mornin'  
I don't think he treat me right  
Told the depot agent this mornin'  
I don't think he treat me right  
He done sold my man a ticket

And I know that Chickasaw leavin' town tonight  
He's a low down dirty dog

I walk down the railroad track  
That Chickasaw even wouldn't let me ride the blind  
I walk down the railroad track  
That Chickasaw wouldn't even let me ride the blind  
And she stop picking up men, all up and down the line  
She's a low down dirty dog  
Hmm, Chickasaw don't pay no woman, no mind  
Hmm, that Chickasaw don't pay no woman, no mind  
And she stops pickin' up men, all up and down the line

What that Chickasaw has done, done for me  
I'm might tell everybody
