

Bread & Butter

Son Little

Wanna be your bread and butter baby
Oo, I wanna be your lover baby
I Wanna be your bread and butter baby
Nobody else can drive me crazy like you can

I wanna peel you like a clementine
Oo, I can't wait darling until you're mine
Come to me baby and I'll come to you
There ain't no doubt now that I feel for you
Oh, you're so sweet just like a tangerine
Just like the one who visits me in my dream
Loving you is just like berry blue
Being with you, I just can't keep my cool

I wanna be your bread and butter baby
Oo, I wanna be your lover baby
I wanna be your bread and butter baby
Nobody else can drive you crazy like I can

Oh oh oh oh

I'll treat you baby like an ice cream cone
You know we only need some time alone
Miss Àpplebum you smell like orange groves
It may be time to come out your clothes
Blow me away just like a hurricane
Just like a bomb went off inside my brain
Come on now baby let me explain myself
Spoonful or two of you is good for my health

Ooh baby, baby

I wanna be your bread and butter baby
Oo, I wanna be your lover baby
I wanna your bread and butter baby
Nobody else can drive me crazy

I wanna your bread and butter baby
Oo, I wanna be your lover baby
I wanna your bread and butter baby
Nobody else can drive me crazy like you can
