

## don't wait up

Son Little

Don't wait up for me tonight  
Don't wait up for me tonight  
I'll be all alone  
But I won't be home  
I'm return without a dime  
So don't wait up for me this time

Don't wait up for me today  
Don't wait up for me today  
I'll crack up in lorraine  
I won't be the same  
When I come back through the gate  
So don't wait up for me no way

I'm going to the city  
To get some bread  
And I'll be back to our farm when I can  
I wish it weren't so  
Wish I could stay but I gotta go instead  
So don't wait up in the days ahead

Don't wait up for me tonight  
Don't wait up for me tonight  
Don't wait up for me tonight  
Don't wait up for me tonight
