

## inside out

Son Little

You know you  
Real gold you  
I never could ignore you  
I'll live and  
Live for you  
Imma hold you down, what you gonna do?  
I am a  
Wave wrangler  
And I'm always keeping one in the chamber  
Imma read your lips  
Imma keep it hit  
Imma make you feel  
Things that you never did

I'm inside out  
You know I'll never let you down, baby  
Come love me down

I'm inside out  
You know you'll never let me down, baby  
Come love me down

Your body  
Out wide and  
You're bound to hurt somebody  
I got it  
I'm flying  
Up here we lose track of timing  
Your garden  
All night and  
Up high and praying to my goddess  
Your body  
Oh my god  
O la di dadi dadi da dadi

I'm inside out  
You know I'll never let you down, baby  
Come love me down

I'm inside out  
You know you'll never let me down, baby  
Come love me down

Inside out  
Oh, out, oh  
Love me down

Inside out  
Oh, out, oh  
Love me down

Inside out (I'm inside out)  
Oh, out, oh (You know I'll never let you down)  
Love me down (Come love me down)

Inside out (I'm inside out)  
Oh, out, oh (You know you'll never let me down, baby)

Love me down (Come love me down)

Inside out (I'm inside out)

Oh, out, oh (You know I'll never let you down)

Love me down (Come love me down)

Inside out

Oh, out, oh

Love me down

Inside out

Oh, out, oh

Love me down
