Son Lux

This heart is for the wrecking  
But leave it up to me  
This heart is for the wrecking  
But leave it up to me, leave it up to me

These arms won't last forever  
So, I can't promise you we will, can't promise you we will  
These arms won't last forever  
So, I can't promise you we will, I can't promise you

Weren't we beautiful once?  
Weren't we beautiful once?  
Weren't we beautiful once?  
Weren't we beautiful once?  
And weren't we the beautiful ones?  
I promise we were, I promise we were

Weren't we beautiful once?  
Weren't we beautiful once?  
Weren't we beautiful once?  
Weren't we beautiful once?  
For all we see in all directions  
For all we see in all directions  
For all we see in all directions  
Weren't we beautiful once?  
For all we see in all directions  
Weren't we beautiful once?
