

# All The Right Things

Son Lux

Tell me a tale  
I can't imagine  
I can hold in my hand when I pray  
Because I don't believe you  
I don't believe you  
But I must  
You've got all the right things to say

All the right things  
All the right things  
All the right things

It's not your fault (All the right things)  
No, it doesn't have to be (All the right things)  
It's not your fault (All the right things)  
No, it doesn't have to be  
No no

It's not your fault  
No, it doesn't have to be  
It's not your fault  
No, it doesn't have to be  
No no

Because you won't receive me  
No, you won't receive me  
But you must,  
I know all the right things to say

All the right things  
All the right things  
All the right things  
No no

It's not your fault  
No, it doesn't have to be  
It's not your fault  
No, it doesn't have to be  
No no

All the right, all the right, all the right, oh  
All the right, all the right, all the right, oh  
All the right, all the right, all the right, oh  
Oh  
All the right, all the right, all the right, oh  
All the right, all the right, all the right, oh  
All the right, all the right, all the right, oh  
Oh

[whisper:] It's not
