

## Only (Chasing You)

Son Lux

When you took me for the hours  
You took me from the days  
When you took me from the days  
You took me from the years

Have I wasted all my time  
Spending all my love?  
Have I wasted all my love  
Spending all my time?

There's only so much I can take (Only)  
Only chasing you  
Only, only  
Only, only, only

There is nothing I can do  
There is nothing I can do  
I'm getting nowhere close to you  
You're just a mirage  
You'll only love me from afar

Only, only, only
