

Sever

Son Lux

Keeping my grip loosening
Always
I am ready to let go
And sever
And sever
And sever what isn't mine

How do I keep what is mine?
How do I keep what is mine?
I can sever
I can sever
I need to sever
I can sever

Let go of it all
Let go of it all
Keep what is mine
Never
Let go of it all
Let go and sever
Sever
Sever
Sever

Keep what is yours
And sever
