

1992

Son Mieux

There's better men who lived their lives
Forgetting everything that they have known
Well, I followed in their footsteps ever since
I've just been trying to get back home

Back to 1992, my brother
The innocence of youth
Back in 1992, my brother
Yeah, it all comes back to you
And I'm kinda lost without you

I'm thinking 'bout the times we had when we were younger
Ooh-ooh-ooh-ooh, ooh-ooh-ooh
How growing old without out you leaves me with a hunger
Ooh-ooh-ooh-ooh

Back to 1992, my brother
The innocence of youth
Back in 1992, my brother
Yeah, it all comes back to you
And I'm kinda lost without you

I'm thinking 'bout the man I am, how I've become him
I wonder if you're proud of me 'cause I've been struggling
Thinking 'bout tomorrow brings a sorrow to my eyes, but I let go
By looking back on yesterday as someone that I used to truly know

Back in 1992, my brother
The innocence of youth
Back in 1992, my brother
Yeah, it all comes back to you
And I'm kinda lost without you

Ooh-ooh-ooh-ooh, ooh-ooh-ooh
Ooh-ooh-ooh-ooh, ooh-ooh-ooh
Ooh-ooh-ooh-ooh, ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Back in 1992
Oh, 1992
Back in 1992
'Cause I'm kinda lost without you
Yeah, I'm kinda lost without you
Na-na-na-na-na-ninety
Na-na-na-na-na-ninety
Na-na-na-na-na-ninety
Na-na-na-na-na-ninety two
