

Come Back Again

Son Mieux

With a shaky hand
It's very nice to meet you
I'm a little down
But yeah it's great to be here
The Lost Boys are out
It's Peter Pan speaking
Saying bangarang until it's
Sunday evening

All I have, desires
I'm outta' touch
But I'll live & I'll repeat here

All of my desires
Down & out
To give & to receive here

And come back again
Come back again
Come back again

I've been trying to see clear
I'd like to change my mind
But I lost my receipt here
Get back in line
Call your friend to meet me
Fill my pockets with your happiness
Deceive me

All of my desires
I'm high & dry
To give & to receive here

And come back again
Come back again
Come back again

It's very nice to meet you
I'm a little down
But yeah it's great to be here
I'll come back again
