

## Will (Pt. I)

Son Mieux

I will work like I don't need the money  
Love like I've never been hurt  
I will dance like nobody's watching  
Sleep like I haven't slept for days  
I will cry like a newborn baby  
Breathe in like I've never felt fresh air  
I will speak like I don't know any language  
Dream like I've been blind this entire time  
I will walk like I don't know where Rome is  
Pray like I've never seen a church  
I will be whatever I want to be here  
I will live like I've never lived before  
And I'll pay the dirt

I will work like I don't need the money  
Love like I've never been hurt  
I will dance like nobody's watching  
Sleep like I haven't slept for days  
I will cry like a newborn baby  
Breathe in like I've never felt fresh air  
I will speak like I don't know any language  
Dream like I've been blind this entire time  
I will walk like I don't know where Rome is  
Pray like I've never seen a church  
I will be whatever I want to be here  
I will live like I've never lived before  
And I'll pay the dirt
