

# Cairo and Southern

Son Volt

Don't know where I'll go  
Don't know where I'll go  
Don't know where I'll go  
To ease the trouble on my mind

Think I'll go to Cairo  
Think I'll go to Cairo  
Think I'll go to Cairo  
To ease the trouble on my mind

I'll drink shine in Cairo  
I'll drink shine in Cairo  
I'll drink shine in Cairo  
To ease the trouble on my mind

What kind of blood shaped me?  
It did not take me  
Cairo, deliver me  
And ease the trouble on my mind
