

# Courtyard

Sondae

I fought the good battle  
Did my best to please God  
Now I'm off to paradise  
I'm diving in wonder  
For this peace I have inside  
Goes beyond the earth and skies

The Father sees  
Every trial  
Every tear  
He turns into smiles  
The Father speaks  
Listen and follow  
He's there every step  
He's there every mile

Now I'm here  
Like a child in a courtyard  
Finally!  
Lord, I thank You for it all!  
Now I'm here  
Like a child in a courtyard  
Finally!  
Lord, I thank You for it all!

Yeah  
Like a child in a courtyard
