

I am so in love, God
With Your goodness
You purified and changed my heart
I am Yours, Lord
Jesus, You're my shepherd
I love Your voice
You are my only shelter
I'm safe with You

Show me what's beyond
This horizon I see
The wonders of Your Kingdom
You are wonderful
I'll stay beside You, Lord
Send me and I will go

Jesus, take me to a place where I can fall in love with You a l
ittle deeper
Jesus, take me to a place where I can fall in love with You a l
ittle deeper
Jesus, take me to a place where I can fall in love with You a l
