

Desert Storms

Sondae

God You are
All that I could ask for
How to deny
All that You have done for me?

Taking My Cross
(Taking My Place)
Pain in Your eyes
(Scars in Your face)

I cannot pay You back
So I will love You back
You chose to die
(So I could live)

You gave me a crown
(With thorns in Your Head)
I cannot pay You back
So I will love you back
I will praise
The One who gave it all
To save my life
Jesus You are beautiful

How can I know
More from You Lord
I will praise
The Word becoming flesh
To save my life
Jesus You are like a rose
In desert storms
Lord You Bring Me Life
