

Lord, help me fix my gaze upon the cross
If You're in me, nothing can be a loss
I put my face in the dust and declare You're Holy (You're holy)
This is the race I run, You're the goal before me (Yeah)

You are Holy (Elohim El Shaddai, ye)
You are for me (Elohim Adonai, eh)
No weapon formed against me (Elohim El Shaddai, ye)
Shall ever prosper (Elohim Adonai, eh)
You are Holy (Elohim El Shaddai, ye)
You are for me (Elohim Adonai, eh)
No weapon formed against me, mm (Elohim El Shaddai, ye)
Shall ever prosper (Elohim Adonai, eh)

My Holy God, You're so kind to me
You broke all my chains and You set me free
You sent Your only Son to shine like the sun
So that I could be close and belong to thee
You paid the highest price on the cross
To heal the sinner and to find the lost
When I'm in Your presence, I stand in awe
Jesus I live and die for Your call
I wanted to die 'cause I felt like a wreck
I had no intentions of making it back
The enemy didn't stop with the attack
And that made me wonder where Jesus was at
But He came and proved he is God again
And told that my life is in his hands
My Holy God, you are such a good friend
I fall on my face and declare

You are Holy (Elohim El Shaddai, ye)
You are for me (Elohim Adonai, eh)
No weapon formed against me (Elohim El Shaddai, ye)
Shall ever prosper (Elohim Adonai, eh)
You are Holy (Elohim El Shaddai, ye)
You are for me (Elohim Adonai, eh)
No weapon formed against me, mm (Elohim El Shaddai, ye)
Shall ever prosper (Elohim Adonai, eh)
