

My satisfaction
Comes from above
Only You Lord

I will be still, I will be here
When You call out my name

Open up my eyes, Lord
Show me what's eternal
Purify My Soul
Satisfy My Soul
Open up my eyes, Lord
Show me what's eternal
Purify My Soul
Satisfy My Soul

I esteem every second
That I spend with You, Lord
Only Jesus and I, ah
Tell me where I should go
Even where I should grow
I rejoice being Yours

Open up my eyes, Lord
Show me what's eternal
Purify My Soul
Satisfy My Soul
Open up my eyes, Lord
Show me what's eternal
Purify My Soul
Satisfy My Soul
