Yahweh You are the Only One I want
Rivers of wonder flowing from Heaven
I love the way You Love me, oh Father

You gave the stars and oceans harmony
Father, how much You can do for me
Your Glory will set this world on fire

I see sinners repenting, people confessing
There is no one like You, You
I'll be on my knees praying for Your Peace
Knowing that You'll come through, You

Everything will pass, but You'll never change
I got nothing to lose, eh
You are Victorious, Great and Notorious
There's nothing left to prove

Bring me that

Fire
I will rejoice in the name of Jesus Christ
The Only One who could pay the price

Bring me that

Fire
I will rejoice in the name of Jesus Christ
The Only One who could pay the price

I'm in You, You're in my heart
Jesus, You don't have to knock on my door
Can't wait so let's sit down and dine
Enjoy this new wine
You're pressing birthing new life

I see sinners repenting
People confessing
There is no one like You, You
I be on my knees praying for Your Peace
Knowing that You'll come through, You

Everything will pass
But You never change
I got nothing to lose, eh
You are Victorious
Great and Notorious
There's nothing left to prove

Bring me that

Fire
