

On my knees, You come through
All I need now is You
Got this fire in my soul
I can't wait to see You
When You're here, God, I lose my gravity, oh
I can't wait to see You

But, God I don't know how I should express
Don't know how to pray or what to say, understand my mess
I'm crying 'cause I've got this pain growin' inside my chest
I need to slow down, can You come now?
I'm goin' too fast (Oh, I'm goin' too fast, yeah)

You give me love, flowing in wonder
Jesus, I need more of Your power
You set me free, then I am free indeed
That's why I just keep my eyes on
You give me love, flowing in wonder
Jesus, I need more of Your power
You set me free, then I am free indeed
That's why I just keep my eyes on You

On my knees, You come through
All I need now is You
Got this fire in my soul
I can't wait to see You
When You're here, God, I lose my gravity, oh
I can't wait to see You

But, God I don't know how I should express
Don't know how to pray or what to say, understand my mess
I'm crying 'cause I've got this pain growin' inside my chest
I need to slow down, can You come now?
I'm goin' too fast (Oh, I'm goin' too fast), too fast

You give me love, flowing in wonder
Jesus, I need more of Your power
You set me free, then I am free indeed
That's why I just keep my eyes on
You give me love, flowing in wonder
Jesus, I need more of Your power
You set me free, then I am free indeed
That's why I just keep my eyes on You

(I got my eyes on You, God) You
You, You
(Nothing can break our love apart) You, You
Don't know how to pray or what to say
I need to slow down
Come to me, oh Lord
