

Hidden

Sondae

The wonders of Your Kingdom
Are hidden in Your presence
I'm dancing out in freedom
The freedom from my shackles

Let Your glory
Write my story
Holy Spirit

Show me who You are so I can love You deeper
Jesus, You're the only one I lean on
Bring me closer till I become one with You, Lord
Holy, I'm standing here because You're my foundation
Rock of ages, Lord of all creation
Nothing would be here if it wasn't for You, Lord

You'll remain forever
Yours is the power
More than any treasure
You are my righteousness

Let Your glory
Write my story
Holy Spirit

Show me who You are so I can love You deeper
Jesus, You're the only one I lean on
Bring me closer till I become one with You, Lord
Holy, I'm standing here because You're my foundation
Rock of ages, Lord of all creation
Nothing would be here if it wasn't for You, Lord

If it wasn't for You, Lord
Wasn't for You
If it wasn't for You, You, You
Holy Spirit
Oh
