

I'd Be Lying

Sondae

Mmm...

Some days I feel like I can walk on water
And some days I don't even know where I stand
Sometimes I am afraid to show honesty
Because I feel like I am losing a friend
I got traumas and I need some healing
But I find myself running again and again
I can pretend I'm okay and keep doing my thing
But I'll go back to God in the end
Yea

I'd be lying I'd be lying if I said I don't need your love
I'd be lying I'd be lying if I said I didn't need you God
I'd be lying I'd be lying if I said I don't need your love
I'd be lying I'd be lying if I said I didn't need you God

Why do I pretend I got it together?
Why do I keep on pushing You away?
Why do I make it so hard to surrender?
Feels like I'm fighting myself every day
I'm in a tug or war, on and on, and I want the cycle to break
But there are some things that can only be
Broken when my heart is finally ready to say

I fall on my knees in Worship
God has set things in motion
I desire a life of Devotion
No, I won't fear a thing in the ocean
I look up to the sky, I know my help comes only from You, Lord
You know me more than I know myself, You are the One Who I adore

I'd be lying I'd be lying if I said I don't need your love
I'd be lying I'd be lying if I said I didn't need you God
I'd be lying I'd be lying if I said I don't need your love
I'd be lying I'd be lying if I said I didn't need you God

I'd be lying I'd be lying if I said I don't need your love
I'd be lying I'd be lying if I said I didn't need you God
I'd be lying I'd be lying if I said I don't need your love
I'd be lying I'd be lying if I said I didn't need you God

Need your love
Need your love
