

In Awe

Sondae

I'm not waiting till I hit the bottom and the lows to call upon
Your name
I'm standing firm on what You say, Lord in the dark, I'll worsh
ip You the same

I see pretty colours
On You, on You
I see beauty coming
From You, from You

I am in awe, of who You are in everything I see
Let your Spirit rest all over me Jesus, I am staying at Your fe
et

Cuando me llamas en la noche me levanto y bailo en adoración
Tu Eres el Alfa y el Omega, Dios siempre tendrás mi corazón

Yo Veo colores y ángeles bailando alrededor
Y todos cantan Santo Santo Santo Eres Tu Señor

Y en perfecta sintonía todos disfrutan de Tu amor
Y todos cantan Santo Santo Santo Eres Tu Señor

I am in awe, of who You are in everything I see
Let your Spirit rest all over me Jesus, I am staying at Your fe
