

Miracle

Sondae

Many are the plans of my heart
But Jesus, You have the last say
Comforter and Light in the dark
I can walk because You are the way

So can You break me down
And Build me up
Lord, pour Your new wine in me
Just like a mirror, I wanna be
So that You see Yourself in me

Risen by Power of the Holy Ghost
Everything I have in me will Praise the Lord
I'm standing in the presence of a miracle
Miracle, miracle
Sanctified because You chose to take my cross
All creation praises You, oh Lamb of God
I'm standing in the presence of a miracle
Miracle, miracle

I'm still standing
I'm still breathing
Every good thing
Comes from You
I'm still standing
I'm still breathing
Every good thing
Comes from You

Risen by Power of the Holy Ghost
Everything I have in me will Praise the Lord
I'm standing in the presence of a miracle
Miracle, miracle
Sanctified because You chose to take my cross
All creation praises You, oh Lamb of God
I'm standing in the presence of a miracle
Miracle, miracle

Risen by Power of the Holy Ghost (Yea, I've been risen)
Everything I have in me will Praise the Lord
(Everything in me, yeah)
I'm standing in the presence of a miracle
(I'm standing in the presence of a)
Miracle, miracle
All creation praises You, oh Lamb of God (Praises You, Lord)
I'm standing in the presence of a miracle
Miracle, miracle
