

# Moonlight

Sondae

Make me a kid again  
Change everything I see  
Walking on top of clouds  
Dancing around the trees

Make me a kid again  
And I will never drown  
Lord I will keep my mind on You  
'Cause I Know You will see me, so I...

Thank You for the sunshine  
Thank You for Your love  
Thank You for Light in me  
Your Peace is so good

Thank You for the moonlight  
Thank You for the cross  
Jesus You are majesty  
You'll always be good

How can I inherit Your kingdom  
If I do not become just like a child?  
How can I be living in freedom  
Without You I'd be walking for a while

Thank You for the sunshine  
Thank You for Your love  
Thank You for Light in me  
Your Peace is so good

Thank You for the moonlight  
Thank You for the cross  
Jesus You are majesty  
You'll always be good

Thank You for the sunshine  
Thank You for Your love  
Thank You for Light in me  
Your Peace is so good

Thank You for the moonlight  
Thank You for the cross  
Jesus You are majesty  
You'll always be good
