

Raise Me Up

Sondae

I was in the darkness
Till I found Your light
Was naked and fully blind
But then I found You, God

Holy are You, Lord
May Your Kingdom come
Fill me up, O Lord
Let me overflow

From these ashes, raise me up
From these ashes, raise me up
I'll be satisfied as long as I'm with You
You can have it all, all I need is You
From these ashes, raise me up

When my body turns to dust
I believe and O Lord, I trust that
I'll finally be coming home to You

Holy are You, Lord (Holy are You, Lord)
May Your Kingdom come (Be my God)
Fill me up, O Lord (Up, Jesus)
Let me overflow ([?])

From these ashes, raise me up
From these ashes, raise me up
I'll be satisfied as long as I'm with You
You can have it all, all I need is You
From these ashes, raise me up
From these ashes, raise me up (From the ground)
From these ashes, raise me up (Kingdom come)
I'll be satisfied as long as I'm with You (You, Jesus)
You can have it all, all I need is You (Oh)
From these ashes, raise me up (Up)
