

roses never clothe themselves

Sondae

Roses never clothe themselves
Birds will always be fed by You
Lord, I need some more patience
Because I feel like I am running out of it

Teach me how to repent, Lord
I'll leave all of my old ways behind
Jesus break my old vessel
So I can smell Your fragrance and become more

Faithful
I just wanna be faithful
Lord, I need Your Presence
To overcome this
I just wanna be faithful
Can You make me more faithful
Lord, I know Your Grace is enough for me
Roses never clothe themselves
Birds will always be fed by You
Lord, I need some more patience
Because I feel like I am running out of it

Teach me how to repent, Lord
I'll leave all of my old ways behind
Jesus break my old vessel
So I can smell Your fragrance and become more

Faithful
I just wanna be faithful
Lord, I need Your Presence
To overcome this
I just wanna be faithful
Can You make me more faithful
Lord, I know Your Grace is enough for me
