

Mm, just like Daniel in the den full of hungry lions
I rely on Jesus, not my own desires
I did not come to this world to be admired
Living in love is my only requirement (Walking in spirit)
Follow what God said
I fear no evil, I know what it cost Him
Dying for me while I wasn't worth dying for
Took all that shame even though it was my fault

Just like Daniel in the den
Father, I will bow my head
When the lions come my way
I'm surrounded by Your hands
I will be safe (Safe)
And I will trust what You say (Say)

Dios, eres tres en uno, eres divino
Yo quiero vivir mi vida contigo
Lejos de Ti, nada tiene sentido
Háblame me de Tu amor
Solo quiero temor
Conocerte, Señor
Muestrame Tu gloria
Dame la victoria
Te daré mi vida, Dios
A través de cada colina y valle me encontrarás de rodillas

Just like Daniel in the den
Father, I will bow my head
When the lions come my way
I'm surrounded by Your hands
I will be safe (Safe)
And I will trust what You say (Say)
