

You Said

Sondae

God I will praise You alone
What is the price of a soul
What is the price of Your blood
On the cross, You paid it all
Hmm yea

It was a long time ago
You were living on the go
Saving the sheep from goats
Eh

You were present in the moment of creation
You were there in Sinai when Moses was praying
When Elijah ran away, You were his comfort
You're the Truth and Life, who made these flowers blossom

You said "I'm gonna start up a new thing"
Yeah uh
I read, in the bible that You made it, yeah
Okay, I win every battle in Your name, ye
"Nobody's coming to Father without Me"
You said "I'm gonna start up a new thing"
Yeh uh
I read, in the bible that You made it, yeah
Okay, I win every battle in Your name, ye
"Nobody's coming to Father without Me"

I'm fine if Your words remain in me
Your Holiness I will love and seek

In the desert You were tempted
But none of it could overtake You
You're the Alpha and Omega so
Nobody could ever make You

Two-Twos and Four-Fours
Bring 'em to the cross He's paid for it
Bow down before The King

You were present in the moment of creation
You were there in Sinai when Moses was praying
When Elijah ran away, You were his comfort
You're the Truth and Life, who made these flowers blossom

You said "I'm gonna start up a new thing"
Yeh uh
I read, in the bible that You made it, yeah
Okay, I win every battle in Your name, ye
"Nobody's coming to Father without Me"
You said "I'm gonna start up a new thing"
Yeh uh
I read, in the bible that You made it, yeah
Okay, I win every battle in Your name, ye
"Nobody's coming to Father without Me"

Lord, You said
Yeah, huh, I read

Oh, ah, okay
"Nobody, without Me"
"Nobody, without Me"
"Nobody, without Me"

You said
New thing
Yeah, huh
I read
Made it
Yeah, huh
Okay
Your Name
"(No)body, without Me"
You said
New thing
Yeah, huh
I read
Made it
Yeah, huh
Okay
Your Name
"(No)body, without Me"
