

# Too Fast

Sonder

People say I drive too fast, move too fast, live too fast  
Ain't no such thing as too fast for me  
People say I drive too fast, move too fast, live too fast  
Ain't no such thing as too fast for me

Living at the speed of light, like a bullet  
I could be dead by the morning  
I can't call it  
So I ain't got no time to wait  
Wait, it out  
I've been down and out for too long  
And I ain't got too many options

People say I drive too fast, move too fast, live too fast  
Ain't no such thing as too fast for me  
People say I drive too fast, move too fast, live too fast  
Ain't no such thing as too fast for me

Still alive but if my heart broke  
I could be dead by tomorrow  
He's got eyes on me  
He'll take me soon  
He's making room  
Always hated lines  
I ain't got much to lose

People say I drive too fast, move too fast, live too fast  
Ain't no such thing as too fast for me  
People say I drive too fast, move too fast, live too fast  
Ain't no such thing as too fast for me

Living at the speed of light  
It's hard to follow  
I could be dead by tomorrow  
Trying to face it  
So I ain't got time to wait it out  
I've been down and out for too long  
No such thing as too fast for me  
No such thing as too fast for me

I called on you, you were needed  
You went MIA today and I ain't see ya  
I thought of you, while I was working  
I'm too proud to look for you  
I hope you're hurting

Tell me what I got to prove  
(While I was working)  
I don't mean nothing to you  
(I hope you're hurting)  
You ain't got nothing to say  
(While I was working)  
You're too good at walking away  
(I hope you're hurting)
