

Don't Waste Your Time

Sondre Lerche

Don't waste your time on love
You should be having your fun
Don't waste your time holding on
You don't belong to anyone
Nothing can make you stay
Nothing can make you go
Don't waste your time on love
You should be crushing frail hearts
Don't waste your time on romance
Don't squander your second chance
Don't waste your time on love

Don't waste your time on love
You should be horsing around
Don't waste your time on the one
Now you belong to everyone
Nothing can make you stay
Nothing can make you go

Don't waste your time on love
You should embrace lack thereof
Don't waste your time being true
Don't let your love get the best of you
Don't waste your time on love

Don't waste your time on love
You should be using someone
Are you having your fun?
Are you having your fun?
Are you having your fun?

Don't waste your time
Don't waste your time
Don't waste your time
Don't waste your time
Don't waste your time
Are you having fun?
Are you having your fun?
Fun, fun
